

Phan Nhật Nam, Mobilie developer ( 7 years of experience)

+84 355140858, nhatnam9203@gmail.com

PROFESSIONAL SUMMARY

Senior React Native Developer with 6+ years of experience delivering production-grade mobile applications for iOS and Android. Strong expertise in F&B and POS systems, including hardware integration, payment processing, and high-load order workflows. Proven ability to build complex features, handle production issues, and maintain stable, high-availability applications used in real business environments. Experienced in cross-platform development, and close collaboration with product, backend, and operations teams.
